

Services

We proudly present our full list of services. Santai means "relaxation" in Indonesian and we believe this is the true way to reach a personal wellness-sense. Santai means to us the art of giving. Allow us to pamper you with our caring hands.

To enjoy your Santai Spa service the most, we recommend to arrive at least 15 minutes prior to your appointment. You will receive a bath robe and you can use our locker area to change clothes and use our steam room or sauna or just relax around the Jacuzzi while you wait to be picked up by your therapist. We do our outmost best to offer you a wellness experience you'll never forget.

To make this happen we do have some advice and rules. Please be on time because late arrival will result in a shortened treatment. Cancellations within 24 hours will result in a 50% charge and no show in 100%. You may if you feel so take a shower before your treatment. If you liked your experience, tipping is appreciated. And please tell us if something was not completely at your expectations.

Reservations convenient at the reception of Avila Wellness Club or give us a call at 461.7075.
